Today's Gospel · Luke 19:41-44

19/11/2026

Jesus walks toward the city of Jerusalem. He gets closer and looks at the city. Then he cries. He cries because he loves the people there. Jesus says, "If you had known the things that bring you peace!" But the people do not see them yet. One hard thing: Jesus says hard days will come to the city. The people did not know the time God visited them. Jesus is not angry. His tears show his love.
