Today's Gospel · Luke 21:1-4

23/11/2026

One day, Jesus is watching people give gifts to God. Rich men come and put in their gifts. They give from their plenty, from what they have extra. Then a poor widow comes. A widow is a woman whose husband has died. She puts in two tiny coins. Jesus sees her. He says that this poor widow gave more than all of them. One hard thing: her coins were tiny, yet her gift was the biggest. The rich gave from what they had extra.

Question of the day

What small thing can you give with all your heart today?
